About Your Visit

ASK ABOUT
OUR
SOUVENIR
GUIDE

Enjoy the enchanting atmosphere of Victorian Woody Bay Station, built in 1897.

We are the only steam railway in the UK where on every journey, passengers travel in Victorian railway carriages designed in the 1890s. These unique historic carriages cannot be seen anywhere other than here in North Devon.

Did you know?

At 964 feet above sea level, Woody Bay is the highest railway station in Southern England. Your tickets allow you to ride all day.

Keep your ticket and you can travel half-price as frequently as you wish for the next 28 days. Low season tickets - ask for a 10% discount on our Devonshire Cream Teas.

New this year - the first train on the first Sunday in June, July, August and September will be a freight special with photo opportunities, brake van and footplate rides. Enquire for details.

The railway is owned by a Charitable Trust and is run "not for profit", with most key roles undertaken by volunteers. Please do consider making a small donation or joining us as a member - or if you fancy a new challenge and want to get involved, please ask about volunteering.

WE ARE
DOG
FRIENDLY

Well-behaved dogs are welcome. Please keep your dog on a short lead and for reasons of hygiene off all seating. Dogs are not permitted in 1st Class compartments.

Enjoy your visit and please come again soon

More Than a Train Ride

This is the first stage in rebuilding the much-loved Victorian railway that once ran between Lynton and Barnstaple. Our trains currently operate between Woody Bay Station and Killington Lane - a two-mile round trip across glorious Exmoor.

Apart from special events, we charge no entrance fee; car-parking and access to the station area including the toilets is also free as are our Tea Gardens, lawns, Picnic Area, platforms and woodland. Stay as long as you like in our gardens/picnic area or the peaceful woodland and enjoy the magnificent scenery of the Exmoor countryside. Try your hand at our computer quiz located in the stable or ride our miniature railway which operates on selected days, or operate the model railway in the marquee.

Our Tea Rooms offer a variety of meals and light-bites. Enjoy a freshly-made sandwich or piece of cake. Savour a taste of Devon with our cream teas of local clotted cream, super strawberry jam and our special home-baked scones. On cooler days warming home-made soup is on offer and our real coal fire will be blazing.

Browse for books, gifts, special souvenirs or that valued reminder of your time spent with us in the Gift Shop where we stock a wide range of Thomas items.
